The CCMC Committee presented four "Road Shows" in 2019. Our host towns were Southbury, Stafford Springs, Winchester and Voluntown. For 2020, we have two Road Shows scheduled. The dates and locations are; April 21<sup>st</sup> in Orange and Sept. 15<sup>th</sup> in Hebron CT. We are grateful to the tax collectors in the host towns for helping us set up the Road Shows. The Committee has scheduled these shows at locations throughout the state in order to avail this important learning opportunity to all. If you are interested in hosting a Road Show, please contact Denise Talbot in Glastonbury at 860-652-7615.

Our work is an ongoing effort to provide quality education to tax collection personnel, promote uniformity and compliance with CGS, and efficiency within the tax collection profession. We will seek to maintain geographical balance among the various regions of the state; seek balance by population, keeping representation from small, midsize, and large communities; and be represented by both elected and appointed tax collectors.
