Frequently Asked Questions about the new Continuing Education Requirements

Who has to complete this application?

All persons who are certified as a CCMC and whose certification is due to expire.

If I am retired or no longer working in a Tax Collector's Office in Connecticut, do I still have to complete 50 hours of courses or workshops?

Yes, if you wish to retain your certification. There is no exemption from this requirement for inactive collectors or collection staff.

Do I send proof of program completion with this application?

Yes, copies of the proof of completion must accompany this application. Any program you list on the application that does not have proof of completion will not be accepted. This proof of completion requirement **includes** courses or workshops. All courses or workshops must be approved for recertification credit by the CCMC Committee. It is recommended you apply for recertification as early as possible in your year of expiration to be sure you have enough credit hours and that your courses or workshops are all approved for credit hours.

What if I do not have Proof of Completion for a program? Can I still list it on the application?

If you are missing proof of completion for a program, you will need to contact the program sponsor for the documentation. If you are not able to acquire the proof, you cannot list that program on this application. The CCMC Committee may have some documentation and might be able to assist in some cases.

How many hours do I need for recertification?

Fifty (50) hours of approved Continuing Education Programs. This includes both workshops (non-examination) and courses.

When do I have to have taken the workshop or course?

Only workshops and courses completed not earlier than five years prior to the expiration date of your current certification can be listed on this reapplication.

What if I am not sure if a workshop or course is "approved"?

A list of workshops and courses approved by the CCMC Committee is available on the CCMC website and the CTx website.

What if a workshop or course that I completed is not on the approved list?

You may submit a written application to the CCMC Committee requesting approval of any course or workshop not included in the list. This request for approval must include documentation on the material presented at the program and the length and sponsor of the program.

When is this application due?

At any time within one year prior to the expiration date of your certification. The certificate you received from the State of Connecticut has an expiration date on the upper right corner. All certificates expire on the December 31st five years following the issuance of the certificate.

What happens if I don't complete my Continuing Education requirement prior to the expiration of my certification?

Your CCMC certification expires. You will need to become recertified as a CCMC.

Can any hours be carried over into my next cycle?

No, the regulations require that the continuing education be completed within five years of the expiration of the certification.

Can I take the same course or workshop more than once in the same cycle?

No. However, if a sponsor holds annual programs that change the material and subject matter for each offering, then each annual offering is allowed.
